### PIANO TECHNOLOGY SOLUTIONS THAT WORK FOR YOUR MUSICAL NEEDS

I would like to extend my sincerest greetings to you by offering a free piano tuning with every appraisal. Are you considering the purchase of a new instrument for the sanctuary? A new upright piano for the Sunday School room? Or does your existing piano need to be tuned and serviced? We will give you the information you need to protect one of the largest investments frequently enjoyed during worship, your *piano*.

Whether you need service on your existing piano or something new is in the future, Piano Gallery will give you the best value and world class service to help facilitate your church's musical needs. Our commitment to honesty above reproach has helped make us the #1 Piano Store in the nation. To take advantage of this free offer please call me today!
